

Ohio Revised Code

Section 4928.38 Commencing and terminating transition revenues.

Effective: October 5, 1999

Legislation: Senate Bill 3 - 123rd General Assembly

Pursuant to a transition plan approved under section 4928.33 of the Revised Code, an electric utility in this state may receive transition revenues under sections 4928.31 to 4928.40 of the Revised Code, beginning on the starting date of competitive retail electric service. Except as provided in sections 4905.33 to 4905.35 of the Revised Code and this chapter, an electric utility that receives such transition revenues shall be wholly responsible for how to use those revenues and wholly responsible for whether it is in a competitive position after the market development period. The utility's receipt of transition revenues shall terminate at the end of the market development period. With the termination of that approved revenue source, the utility shall be fully on its own in the competitive market. The commission shall not authorize the receipt of transition revenues or any equivalent revenues by an electric utility except as expressly authorized in sections 4928.31 to 4928.40 of the Revised Code.
